TD CHROM & Nullifire SC900 Products

To Whom It May Concern

This letter serves to notify any interested party that **TD CHROM** is a recognised and authorised installer of Nullifire SC900 range products.

TD CHROM has undergone training in the application and installation of SC900 and it is our opinion that **TD CHROM** has demonstrated sufficient evidence of professional competency in the areas required to be regarded as a specialised installer of Nullifire Passive Fire Protection Systems. Further both Nullifire and **TD CHROM** commit to close working cooperation and Nullifire will provide agreed service inspections, where necessary, to ensure client satisfaction and project compliancy.

The recognition and authorisation given to **TD CHROM** is limited to providing a quality installation service of Nullifire products and to install these products in accordance with Nullifire recommended methods for such installation. It does not provide any rights to **TD CHROM** to act or assume any responsibilities on behalf of Nullifire and no responsibility is entered into or accepted by Nullifire in respect of any liabilities, claims or disputes, howsoever incurred by **TD CHROM**.

Should any party require further information please contact the undersigned.

Duncan Hughes

Commercial Director
