

# CERTIFICATE

APPROVED APPLICATOR

This is to confirm that

**TD CHROM**

is an Approved Applicator for the following applications:

- **Fire protection of concrete with Sikacrete®-213 F mortar, in Tunnels and Buildings**

The employees of the Approved Applicator have received practical training in the proper storing, preparation and application of the Sika-Products. The Approved Applicator is aware of the relevant Sika Product Data Sheets and all other technical documentation.

This Confirmation is valid for 1 (one) year from its date of issue and may be renewed subject to the Approved Applicator successfully completing any training courses required by Sika.

Sika is not responsible for the Approved Applicator's compliance with Sika's guide-lines or training instructions or any other requirements of third parties. Sika is not liable for any acts or omissions of the Approved Applicator arising in any way, including, but not limited to, any breach of contract; or any tort (including negligence); or any breach of statutory duty.
